

Feel the love for your Valentine at The William Bray

At the William Bray in Shere we want to spread the love on February 14th by offering all couples a free glass of Prosecco and a red rose when you dine with us on Valentine's Day.

We have also compiled a selection of 'one off' Valentine's Day 'Specials' to really ensure that love is in the air. As well as our newly launched winter menu, we will be offering our chef's very own take on oysters served with lemon, Tabasco sauce and cracked black pepper, a rose of salmon gravadlax served in our own style with a delicious main course trio of beef – filet mignon, beef Carpaccio and beef bourguignon served with galette potato and baby vegetables.

To complete the theme of decadence chocolate obviously must feature heavily on 14th February and we will be offering Bailey's scented chocolate tart served with Cornish clotted cream and red fruit coulis plus luscious chocolate truffles to finish with your coffee.

So at The William Bray we supply the bubbles, the roses, the oysters and the chocolate – the rest is down to you!!

We look forward to seeing you at the William Bray on February 14th.
